MEYRA®

Multifunctional in every position

Settling and positioning

COST EFFECTIVENESS

- comprehensive range of accessories for individual customisation, adaptable even to severely disabled persons
- standard model is fully equipped
- secured long-term supply of spare parts thanks to extensive network of specialist retailers

THERAPEUTIC BENEFITS

- Exact adjustment of chair inclination for severely disabled persons helps them make active use of their other functions
- Optional seat depth adjustment with locking elements for easier transfer
- anatomically formed seat and back units facilitate stable sitting positions with little exertion

APPLICATIONS

- Neurological care at home or a health facility
- For use for persons who have to be positioned and for whom numerous transfers on seats are too burdensome
- to mobilise the user from lying to sitting position and to facilitate continued activation of other available functions
